

# Don't Ask Me To Choose

Fine Young Cannibals

You're going away you stay from hell  
Don't be stupid no I'm not upset  
Have you got all you need?  
Enough to eat and a book to read?

I hope you have a wonderful time  
Here's a stamp just drop me a line  
If you meet somebody that you like  
Remember who you left behind

Don't ask me to choose honey  
There's such a lot we've got to do  
Don't ask me to choose honey  
'Cause either way we stand to lose

It's a risk we've got to take  
Though it could prove a grave mistake  
Honesty when love may break  
The very least it will just change its shape

And by the end maybe it's to late  
An by the end maybe I will hate you  
For leaving me on the ground

Don't ask me to choose honey  
There's such a lot we've got to do  
Don't ask me to choose honey  
'Cause either way we stand to lose

Don't ask me to choose honey  
There's such a lot we've got to do  
Don't ask me to choose honey  
'Cause either way we stand to lose

Don't ask me to choose honey  
There's such a lot we've got to do  
Don't ask me to choose honey  
'Cause either way we stand to lose

Leaving me on the ground
