

# Sort of Revolution

Fink

Come So far  
Feels so Real

All this time  
I've been waiting for it

And who we are  
Where were going..to  
All this time  
Preparing for it

Ummmmmm  
Come so far  
Ummmmmm  
Come so far yeah

So just let me know when we get there  
If we get there.  
Let me know when we get there  
If we get there

In the dark  
It feels so real  
All this time  
We've ben sleeping on it  
Who we are  
And what we'e going through  
All this time  
Spent saving for me

Ummmmmm  
Come so far  
Ummmmmm  
Come so far yeah

So just let me know when we get there  
If we get there.  
Let me know when we get there  
If we get there

Come so far  
There's no going back  
All this time, we've been  
Running from.

Where we are  
Where we're going to

We'll organise a sort of revolution  
We'll organise a sort of revolution  
We'll organise a sort of revolution  
We'll organise a sort of revolution
