

Harvey

Firefox AK

Harvey did not graduate
He played violent video games instead
Harvey didn't pay any tax
He went through the system

He went down down down
His own path

He is so wild
He is my guy

Harvey didn't know what to do
When summer came he was put in jail
Harvey didn't keep any friends
He was just too nasty to all of'em

He went down down down
His own path

He is so wild
He is my guy
