

Dream

Firehouse

I bet I've seen that face a hundred times or more
Then you shed a tear
What do you want from me?
Is it something more than I can give?
Just let me know
Then you walk in my arms and say
I need you more today

Dream baby dream
Kiss me goodnight and I'll rock you to sleep
Dream baby dream.... just slippin' away

Sometimes I'm so afraid there's nothing I can do
You're always on my mind
You know my hands were tied,
and you know how hard I tried
To never let you go
Then you walk in my arms and say goodbye

Dream baby dream
Kiss me goodnight and I'll rock you to sleep
Dream baby dream.... just slippin' away

Down on my knees I pray for you every day
I've been alone since you went away

Dream baby dream
Kiss me goodnight and I'll rock you to sleep
Dream baby dream.... just slippin' away
