

# There Should Be Unicorns

Flaming Lips

Yeah there should be unicorns..  
Ones with the purple eyes  
It should be loud as fuck  
Hope the swans don't die  
There should be burning sun  
And naked slaves  
And if the police show up..  
We'll give them so much money it will make them cry  
And forgive us..  
Yeah there should be unicorns the ones with the purple eyes not  
the green eyes  
Yeah there should be day glow strippers  
Ones from the Amazon  
Some edible butterflies.. We put ketchup on  
Some motorcycle stunts.. That always crash  
And if the police show up we'll bribe them into helping us steal  
the light of love from the rainbow sluts that live next door  
Yeah there should be unicorns  
Ones with the purple eyes.. Not the green eyes..  
At first there should be unicorns. The ones with the purple eyes  
not the ones with green eyes. Whatever they give them, they  
hit everywhere. And it would be great if the moon was almost down...  
in a very red/orange state... Let's leave it like that for at  
least three hours... Hovering just above the horizon. And if the  
police show up we will give them so much money that they can  
retire from their shitty, violent jobs and live the greatest life  
they've ever lived. And we will be high. And the love generator  
will be turned up to its maximum. And we'll get higher when,  
at last, the sun comes up in the morning and we will collapse  
under the weight of the ancient earth. And it will be inside me  
and it will be inside you... and it will be the end of the world  
and the beginning of a new love...
