

Landslide

Fleetwood Mac

Took this love and I took it down
Climbed a mountain and I turned around
And I saw my reflection in the snow covered hills
Till the landslide brought me down

Oh, mirror in the sky, what is love?
Can the child within my heart rise above?
And can I sail through the changing ocean tides
Can I handle the seasons of my life?
Oh oh I don't know, oh I don't know

Well, I've been afraid of changing
'Cause I've built my life around you
But time makes you bolder
Children get older I'm getting older too
Yes I'm getting older too, so

I've been afraid of changing
'Cause I, I've built my life around you
But time makes you bolder
Children get older
I'm getting older too oh yes
I'm getting older too

So, take this love, take it down
Oh if you climb a mountain and you turn around
If you see my reflection in the snow covered hills
Well the landslide will bring you down, down
And if you see my reflection in the snow covered hills

Well maybe the landslide will bring you down
Well well, the landslide will bring you down
