Landslide

Fleetwood Mac

Took this love and I took it down Climbed a mountain and I turned around And I saw my reflection in the snow covered hills Till the landslide brought me down

Oh, mirror in the sky, what is love? Can the child within my heart rise above? And can I sail through the changing ocean tides Can I handle the seasons of my life? Oh oh I don't know, oh I don't know

Well, I've been afraid of changing 'Cause I've built my life around you But time makes you bolder Children get older I'm getting older too Yes I'm getting older too, so

I've been afraid of changing 'Cause I, I've built my life around you But time makes you bolder Children get older I'm getting older too oh yes I'm getting older too

So, take this love, take it down Oh if you climb a mountain and you turn around If you see my reflection in the snow covered hills Well the landslide will bring you down, down And if you see my reflection in the snow covered hills

Well maybe the landslide will bring you down Well well, the landslide will bring you down
