

You're All I Am

Foreigner

I never knew a man would be so lonely
That life could treat a man so wrong
But when the odds were all against me
You gave me the strength to carry on

You gave me a new start, so I will give you my heart

You, you are my life, you're all I am
Only you can understand the way I am

You never give me enough of your love
I need more and more each day
Honey, can't you see the only thing I can be sure of
Is that something real has come my way

Oh, so I believe my heart, though sometimes it tears me apart

You, you are my life, you're all I am
Baby it's you, you are my life, you're all I am
Only you can understand the way I am

You know I live my life for you

You are my life, you're all I am
Ooh baby it's true, you are my life, you're all I am
Only you can understand the way I am
