

Just One More Chance

Frank Ifield

We spend our lives groping for happiness
I found it once but tossed it aside
I paid for it with hours of loneliness
I've nothing to hide, I'd bury my pride for

Just one more chance
To prove it's you alone I care for
Each night I say a little prayer for
Just one more chance

Just one more night
To taste the kisses that enchant me
I'd want no others if you'd grant me
Just one more chance

I've learned the meaning of repentance
Now you're the jury at my trial
I know that I should serve my sentence
Still I'm hoping all the while you'll give me

Just one more word
I said that I was glad to start out
But now I'm back to cry my heart out
For just one more chance
