I Gotta Right to Sing the Blues

Frank Sinatra

I gotta right to sing the blues I gotta right to feel low down I gotta right to hang around Down around the river

A certain gal in this old town Keeps draggin' my poor heart around All I see, for me is misery

I gotta right to sing the blues I gotta right to moan and sigh I gotta right to sit and cry Down around the river

I know the deep blue sea Will soon be callin' me It must be love say, what you choose

I gotta right to sing the blues

I know the deep blue sea Will soon be callin' me It must be love say, what you choose

I gotta right to sing the blues
