Every Time I See You

Frank Zappa

```
Every time I see you...
Whenever you walk by,
I want to hold you.
Darling, please let me try.
Darling, I love you,
I really do.
Darling, I want you.
Let me be true.
I want to hold...
Every time I see you.

If you would love me...
We'd never, never part.
We would be lovers...
Heart unto heart.
Darling, I love you...
I really do.
Darling, I want you...
Let me be true.
I want to hold you...
Every time I see you
```
