

Living On My Own

Freddie Mercury

Sometimes I feel I'm gonna break down and cry
Nowhere to go nothing to do with my time I get lonely
So lonely, living on my own

Sometimes I feel Im always walking to fast
And everything is coming down on me down on me I go crazy
Oh so crazy, living on my own

R: De doh day day, de doh day day,
I don't have no time for no monkey business
De doh day day, de doh day day
I get so lonely lonely lonely lonely yeah,
Got to be some good time ahead.

Sometimes I feel nobody gives me no warning
Find my head is always up in the clouds in a dream world
It's not easy, living on my own
