

Love Me Cos You Want To

Gabriella Cilmi

I'm not gonna try to read your mind
But I think you should know
I won't fall apart
I'll be just fine
If you need to go

I'm not a fool
I can see it in your eyes
Don't laugh
Don't be cruel
And don't patronize

Just love me cos you want to
And not because you wanna be kind
Give me something to hold on to
Cos they're the ones who're wasting our time
And now the rest is up to you
Love me cos you want to

And if our time is up then it's OK
I'll move right along
You can try to bring back yesterday
But the feeling is gone

I'm not a fool
There's nowhere to hide
So play by the rules
And droplets of skies

Just love me cos you want to
And not because you wanna be kind
Give me something to hold on to
Cos they're the ones who're wasting our time
And now the rest is up to you
Love me cos you want to

Getting colder
Like the weather
Will you be there
When the lights go out
Wanna hold ya
Make ya better
But the rain just keeps on falling down

Just love me cos you want to
And not because you wanna be kind
Give me something to hold on to
Cos they're the ones who're wasting our time
And now the rest is up to you

Love me cos you want to
And not because you wanna be kind
Give me something to hold on to
Cos they're the ones who're wasting our time
And now the rest is up to you
Love me cos you want to

To have to be kind
Now don't you be kind
To have to be kind
Now don't you be kind
To have to be kind
Now don't you be kind
To have to be kind
Now don't you be kind
To have to be kind
Now don't you be kind
