

## Make love to you

Gabry Ponte

Tell me you'll be mine  
i swear i love you to...  
the end of time  
i never felt like  
this before  
you make me feel  
i'm really in love  
this time I hope  
I'll make it thought  
make love to you  
and make you mine  
you are the sunshine  
in the sky  
you are the joy  
of being alive  
this time I know  
I'll make it thought  
make love to you  
and you and you  
and you  
and make you mine
