

If I Had A Gun

Gene Simmons

I said
Look at me with my makeup messed
I feel so ugly I've never been kissed
Hey God can you make it all go away

Everyday it's the same damn thing
I wake up draggin' this ball and chain
I keep on looking for a piece of the action
But I just can't get ahead

He said, if I had a gun
I'd have me some fun
I'd shoot everyone
Who pisses me off today
So don't piss me off today

Look at me I'm all screwed up
I've banged my head I'm stuck in a rut
So hey God, can you make it all go away

And all the crap goin' in my head
Makes me crazy, makes me see red
I keep on looking for a piece of the action
But I can't get ahead

He said, if I had a gun
I'd have me some fun
I'd shoot everyone
Who pisses me off today

And he said, I want to go home
'Cause I know I can't take anymore
So don't piss me off today

I said
Look at me with my makeup messed
I feel so ugly I've never been kissed
Hey God can you make it all go away
