## This Masquerade

## **George Benson**

Are we really happy here with this lonely game we play? Looking for words to say searching but not finding Understanding anywhere we're lost in a masquerade

Both afraid to say we're
just too far away
from being close
together from the start
We tried to talk it over
but the words got in the way
We're lost inside this
lonely game we play

Thoughts of leaving disappear every time I see your eyes No matter how hard I try to understand the reasons why we carry on this way We're lost in a masquerade
