

New Revolution

Gin Wigmore

Hey, can you heal these broken bones?
Hey, can you guide the thoughts we own
Help, with a question I need to know
We will rise to burn
If you let this go

In the dark of day
Teach us love again
Pray we stay for

The new revolution is here
And the road to redemption is here
Come hell or high water babe
We'll keep movin' on

Please, will you Mr.
Show me hope
Please, tell my mother to carry on
Stand up, little darling
I've been told to stand up and fight, for living strong

In the dark of day
Teach us love again
Pray we stay for

The new revolution is here
And the road to redemption is here
Come hell or high water babe
We'll keep movin' on

Yeah, yeah, yeah
We'll keep movin' on
We'll keep movin' on
Woah, yeah

The new revolution is here
And the road to redemption is here
Yeah, yeah, yeah
Come hell or high water babe
We'll keep movin' on
Yeah, we'll keep movin' on
