

Darling

Girls

I was feeling so sad and alone
But I found a friend in the song that I'm singing
I was feeling like a nothing inside
Then I found it all in the song

And yeah, yeah, yeah
It's coming straight from my heart
And yeah, yeah, yeah
I gotta let it go

Yeah, yeah, yeah

Man, I felt like I was going nowhere
Then I found my way in the song I was singing
Man, I felt like I could lay down and die
Then I found my life in the song

And yeah, yeah, yeah
It's coming straight from my heart
And yeah, yeah, yeah
I gotta let it go

Yeah, yeah, yeah
