

Paper Boat

Gossling

I will make you a little paper boat
Mmmmm, it'll always keep but probably never float
I'll fold the sails perfectly straight
I bet the wind won't blow and you'll have to wait
For the current to pick up and push you forward
And take it's time to get out to sea
A view full of colour and disguise
I hope it takes you to me

O-Oh and if my boat won't float i'll make you a paper crane (ya-
aaane)
I think it means good luck in Japan
Oh if it flew it would probably crash land
I'm no good with origami
But I'm good at loving you (ooooh ooh woooah yeaaaaah)

I'll write you a little French poem
Mmmmm, bring all your friends 'cause you wanna show 'em
I'll make sure its grammatically correct
To read in your head with my French accent (ooooh)
Est-que je vais te revoir
Et es libre c'est soir (ooooh)
Je vais de toi, mon amour (ooouurr)

O-Oh and if my boat won't float i'll make you a paper cra-(y)aa
ane
I think it means good luck in Japan
Oh if it flew it would probably crash land
I'm no good with origami
But I'm good at loving you (ooooh ooh woooah wooaa yeaaa yeaaa
yeah)

(ooooh yeeaaah woooah ooh ooh yeaaa eaaa ooh yeaah woooah)

O-Oh and if my boat won't float i'll make you a paper cra-(y)aa
ane
I think it means good luck in Japan
Oh if it flew it would probably crash land
I'm no good with origami
But I'm good at loving you (ooh ooh woooahhh ooh ooh yeah wooa
oooahooo yeaaa yeaaa)
