

# A Leader Always Carries a Stick

Grizzly Bear

Oh a leader walks with force  
Oh a leader makes the most of what he can, of what he can  
Oh a leader flaunts his strength  
Oh a leader takes command of what he can, of what he can.

But he always carries a stick

Oh a leader fills the bags  
Oh a leader joins the ranks when he can, when he can  
Oh a leader takes good aim  
Oh a leader plays the game when he can, when he can

But he always carries a stick  
But he always carries a stick
