## **Guadalcanal Diary**

Poor Michael, poor Michael Poor Michael, poor Michael

He says he didn't know, he didn't mean to He says he didn't know, he didn't want to He says he didn't know, he didn't mean to He held his head in his hands

Poor Michael, all alone Lost in the steamy jungle Lost in the hands of God American in paradise No need to fear the land Forest forever twilight Only?

He says he didn't know, he didn't mean to He says he didn't know, he didn't want to He says he didn't know, he didn't mean to He held his head in his hands

Poor Michael, warm winds blow Paradise times forever Now he knows

He says he didn't know, he didn't mean to He says he didn't know, he didn't want to He says he didn't know, he didn't mean to He held his head in his hands
