

Difficult Outburst and Breakthrough

Guided by Voices

Difficult outburst and breakthrough
Something bombastic to make you change
Your point of view until you focus on
Anything new

Difficult outburst and breakthrough
Something bombastic to make you change
Your point of view before you focus on
Anything new

Presenting by the dangerous general public
Transferring her to transhumantic system city
Have you no pity
Where is your rifle?

Guns and (?) exploring through microscope eyes

Difficult outburst and breakthrough
Something bombastic to make you change
Your point of view until you focus on
Anything new
