

Father Sgt. Christmas Card

Guided by Voices

Fight me
Fight me in practice
Up from a squelch
A ten point power plant
No planning a rant
You get a clear man

Hunting a heart
Backed away in his pig
Father Sgt. Christmas Card
Gone jogging
Gumming the fun tunnel
And answer to no one
And not knowing this
So God bless you
Continue to speak

Oh, God, bless you!
Fa la la la la
Oh, God, bless you!
Fa la la la la
