

Confidence In Confidentiality

Gyroscope

(Destroy) Your autopsy,
Revealed everything,
This list goes on and on,
You try, try to forget me,
I think not,
Lifeless and empty,
This grave I have dug thee,
Sit back, relax,
I promise you confidence in confidentiality,
Here your life will stand still,
(Fading ink) will try to ease the pain,
Words washed away by rain,
My list goes on and on,
Just try, just try,
To read between the lines,
Pointless and messy,
This grave I have dug thee,
(Pointless and messy,
This grave I have dug thee),
Sit back, relax,
I promise you confidence in confidentiality,
Here your life will stand still,
Here your life will stand still,
Ooo, Ah Ooo, Ah Ooo, Ah Ooo, Ooo
Sit back, relax,
I promise you confidence in confidentiality,
Here your life will stand still,
Here your life will stand still,
Jealous, heavy
