## **Last Breath**

## Hatebreed

All the prayers in the world can't bring you back. It's your last breath,

this is our last breath. Taken from this earth without warning. Victim of

the ultimate injustice. Nothing will ever make sense of this. N othing could

have prepared me. All that is left are memories, and the pieces of a

shattered existence. I wish I could bring back. Right through y our last breath.

I felt you last breath. All the prayers in the world can't bring you back.
