

Your Past

Home Grown

26 hours, 2000 miles away
A broken trust severed us
An ocean of secrets that you left behind
Unlocked by false assumptions
I'm stupid and dumb in the brain
And I shouldn't have, shouldn't have, shouldn't have
Shouldn't have Pushed you away

Now that you're gone,
I know what I've lost
And I can't get you out of my mind
I wish I could turn back time
I'm biting my tongue with my foot in mouth
I'm kicking myself, kicking myself in the ass

I know I shouldn't judge you by your past
Jealousy hit me I screamed and shouted at you
When I heard that you've been with my friends
It's none of my business, what you have been through
I was scared I would get hurt again
I'm stupid, I made a mistake
And I shouldn't have, shouldn't have, shouldn't have
Shouldn't have Pushed you away
Your past
