

Why Don't You Love Me

Hot Chelle Rae

See I can't wake up I'm living a nightmare
That keeps playing over again
Locked in a room so hung up on you
And you're cool with just being friends

Left on the sidelines
Stuck at a red light
Waiting for my time
And I can't see

Why don't you love me?
Touch me, tell me I'm your everything
The air you breathe
And why don't you love me baby?
Open up your heart tonight
'cause I could be all that you need
Ohhhhhhhh
Why don't you love me?
Why don't you love me?

See I'm just too scared to tell you the truth
Cause my heart ache can't take anymore
Broken and bruised longing for you
And I don't know what I'm waiting for

Left on the sidelines
Stuck at a red light
Waiting for my time
So just tell me

Why don't you love me?
Touch me, tell me I'm your everything
The air you breathe
And why don't you love me baby?
Open up your heart tonight
'cause I could be all that you need
Ohhhhhhhh

Why don't you give me a reason? (give me a reason)
Please tell me the truth (Please tell me the truth)
You know that I'll keep believing (I'll keep believing)
Till I'm with you

Why don't you love me?
Kiss me, I can feel your heart tonight
It's killing me so
Why don't you love me?
Touch me, tell me I'm your everything
The air you breathe
And why don't you love me baby?
Open up your heart tonight
'cause I could be all that you need
Ohhhhhhhh
Why don't you love me?
Why don't you love me?
Why don't you love me?
Why don't you love me?

Why don't you love me?
