She said: 'How did we get ourselves so lost?' And I said: 'I don't know, but we will not be leaving tonight, tonigh When you hold me I, I feel better' I only want one night, together in our arms This is the longest night, we're meeting arms to arms Nothing is wasted and life is worth living Heaven is nowhere, just look to the stars There is a day that is yours for embracing Everything's nothing, and nothing is ours Nothing is wasted and life is worth living (I only want one night) Heaven is nowhere, just look to the stars There is a day that is yours for embracing (This is the longest night Everything's nothing, and nothing is ours 'And maybe if we'd never come this way Then we would live and prosper But I doubt it We are a violent race and we deserve what we get When you hold me, when you hold me I feel better, I feel better' I only want one night, together in our arms (I feel better) This is the longest night, we're meeting arms to arms (I feel better) I only want one night, together in our arms (I feel better) This is the longest night, we're meeting arms to arms Nothing is wasted, a life is worth living Heaven is nowhere just look to the stars There is a day that is yours for embracing Everything's nothing, and nothing is ours Nothing is wasted and life is worth living Heaven is nowhere, just look to the stars There is a day that is yours for embracing Everything's nothing, and nothing is ours Nothing is wasted, and life is worth living (I only want one night, t ogether in our arms) Heaven is nowhere, just look to the stars There is a day that is yours for embracing (This is the longest night , we're meeting arms to arms) Everything's nothing and nothing is ours Nothing is wasted, a life is worth living (I only want one night, tog ether in our arms) Heaven is nowhere, just look to the stars There is a day that is yours for embracing (This is the longest night , we're meeting arms to arms) Everything's nothing, and nothing is ours
