Hot Water Music

Dream wild in waves of confidence and heart Don't underestimate the power of your part Throw the rules away Trust your gut and make it On your own

Don't underestimate the glories of the road Because when you're on your own you've got it all Throw the rules away To stand and deliver now. All is yours

I don't want to sit back to slack and waste it all Since surrounded with the "Hearts and Souls"

I'll get back on my feet, wash my hands clean
And roll back to the front to sing out

"Here we go!"

Here we go, here we go, here we go...

Throw the rules away To stand and deliver now. All is yours

I don't want to sit back to slack and waste it all Since surrounded with the "Hearts and Souls"

I'll get back on my feet, wash my hands clean
And roll back to the front to sing out

"Here we go!"
