

Human Nature

Housse de Racket

Love is supreme
We are human nature
God is the word
Alphabet and figures

Oh we are sailors
We are visitors
Animal after all
Human nature

Art and aesthetics
War and politics

Art and aesthetics
War and politics

Walk on and the man goes on
Walk on and the man goes on
Walk on and the man goes on
Walk on and the man goes on

Art and aesthetics
War and politics
