Always Be With You

Human Nature

ooh, baby How you make me feel like you do You're so cool A lifetime's worth my waiting

You baby When you know the lovin' is true You're so fine That I just can't stop dancing

Baby tell me can you feel it Don't put up a fight Destiny is waiting in the starlight

Baby if I had one wish
It would be to dance like this
And to hold you tight, all night
And always be with you

Try baby,
Try and understand what I do
Don't you cry
'cause you're all I'm wishing for baby

Baby tell me can you feel it Don't put up a fight Destiny is waiting in the starlight

Baby if I had one wish
It would be to dance like this
And to hold you tight, all night
And always be with you

Then

Baby if my wish came true
I would stay and dance with you
