

# Downhill

Hyland

I've been wonderin'  
Why this happens to me  
Do you know what I mean?  
I'm stumblin'  
Hangin' my head  
Hard to see what you need when you're reelin'

It's all downhill from here

We could have been  
Let's not pretend  
Now that everything's fallen apart  
I've held my ground  
Now I'm fallin' down  
These memories are burned in my heart  
I'm fallin' apart  
I'm fallin' apart

I've been wonderin'  
Why we're always confused  
The ones we love, we still lose  
I'm stublin'  
Holdin' my heart in my hands  
Hard to fix what you've broken

It's all downhill from here  
It's all downhill from her

We could have been  
Let's not pretend  
Now that everything's fallen apart  
I've held my ground  
Now I'm fallin' down  
These memories are burned in my heart  
I'm fallin' apart  
I'm fallin' apart  
I'm fallin' apart (let's not pretend)  
I'm fallin' apart (now that we're at the end)  
I'm fallin' apart (I'll get over this, it's over and done)

We could have been  
Let's not pretend  
Now that everything's fallen apart  
I've held my ground  
Now I'm fallin' down  
These memories are burned in my heart

It's all downhill from here
