

Can We Start Again

I See Stars

Can we start again?
Go back to what it meant back then?
Open minds and open hearts
The things that set us apart
(2x)

Was it more than words?
And do they still apply?
And do you still believe?
Well so do I
(2x)

I was a 15 year old kid
With nowhere to fit in
When someone told me about a place
Where the strange were accepted
And judged by what's inside
A scene of truly open minds
Somewhere, somehow, everything has changed
Look at what we've gotten ourselves caught up in
Let's take a look at ourselves

Can we start again?
Go back to what it meant back then?
Open minds and open hearts
The things that set us apart
(2x)

The same mindless clicks
The same high school sh*t
All the walls you scream about breaking down
I've watched you build brick by brick
(2x)

Can we start again?
Go back to what it meant back then?
Open minds and open hearts
The things that set us apart

Was it more than words?
And do they still apply?
And do you still believe?
Well so do I - so do I
(2x)

Was it more than words? (Can we start again?)
Do they still apply? (Go back to what it meant back then?)
Do you still believe? (Do you still believe?)
Well so do I - so do I
