

Redlight

Ian Carey

Oh my my
I feel it on the street

So so fine
Girl i know you believe

When there`s something that makes you want it
There`s no way you can just say no
But you can`t put your finger on it

Oh no
Oh no

Yeah yeah yeah
Turn on
The redlight

Yeah yeah yeah
It`s alright
Tonight

We don`t have long
Don`t let it get away

See something like this
Won`t come along every day

When there`s something that makes you want it
There`s no way you can just say no
But you can`t put your finger on it

Oh no
Oh no

Yeah yeah yeah
Turn on
The redlight

Yeah yeah yeah
It`s alright
Tonight

Yeah yeah yeah
Turn on
The redlight

Yeah yeah yeah
It`s alright
Tonight
