

# HEY LITTLE SISTER

Imany

Hey little sister, won't you come and sit down?  
I feel like (talking), can you please pain me sometime  
Hey little sister, how I 've (been) around  
Let me say what's on my mind  
I have to say what's on my mind

Hey little sister, don't let them boys play with your soul  
You deserve the all world, and may be a little more  
Hey little sister, don't be scared of be yourself.  
It's the only thing you are,  
Or just about the only thing that you are

When comes that times,  
No dear, you're not the only one in pain.  
There is always more than a life,  
Then just, what's staying inside your illls  
What's staying inside your head  
Inside your illls  
Inside your head.

Hey little sister, i don't mean to bring you down.  
You'll have some mistakes but don't make if their happy faces (...) brave.

Hey little sister, just make sur you what you're steps  
It's just a long way until the end  
Or just a long way until the end.

When comes that times  
No dear, you're not the only one, in pain  
There's always more than a life  
Then just what's staying inside your illls  
What's staying inside your head  
Inside your illls  
Inside your head...

Hey little sister, won't you cry anymore, it's alright, it's alright,  
Nothing is for reveal lost  
Hey little sister, I know i've been around  
But let me see, what's on my mind

When comes that times  
No dear, You're not the only one in pain  
There's awlays more than a life,  
Then just what's staying inside your illls  
What's staying inside your head

When comes that time,  
Know that, you're not the only one in pain,  
There's always more than a life,  
Then just, what's staying inside your illls  
What's staying inside your head  
Inside your illls  
Inside your head  
Inside your illls  
Inside your head.
