```
Trouble at work, Trouble at school

Even if you ??? fool

??? I don't watch games

Cause you're watching your ??? anyway
```

You're the ??? sinners

Bootboys, Bootboys

You may be just the sinners

Bootboys, Bootboys

Stay alive and get back in the fight

Stay alive and say you're right

Bootboys, Bootboys
Staying alive
Bootboys, Bootboys
Don't ever die

Fighting the wife you know how it goes

I suffer again and look it's always the same

??? don't run away

Stand your ground you don't follow out
