Bitch start giving back, fuck hittin' that  
Your shit loop like a bowl of soup  
And every time I'm with you, I'm smelling nothing but baby poop  
You got WIC food stamps, and ADC  
Why you still fucking with me, you dirty scoundrel  
And I'ma murder any friend of the court  
Throw a bomb in they office on the way to the airport  
Then blast off, catch a flight to another life  
Five baby mommas every one of them trife? hoes  
They won't stifle, always wanna fight and for what  
Get the rifle one to her butt, POP!

And I got two more bitches callin' sayin' they late  
Baby momma blues

Deadbeat moms are chasing me ain't no one on my side  
I'm packin all my shit up and I'm taking off tonight  
Bitch leave me alone

Fuck my baby momma, with that baby drama  
Callin' me while I'm in the Bahamas with Lana and Donna  
Two freaks that I met with the hummer from last summer  
Anyway bitch, how'd u get my new number  
Fuck my baby momma, she need a new weed?  
That bitch did something that I couldn't believe  
She called up a priest, she called the police  
And then called a lawyer and took half of my piece  
Fuck my baby momma, I can't see it like Stevie Wonder  
All I know is when it rains it thunders  
My baby momma took me under  
Fuck my baby momma, and my thirty kids  
Don't tell me bout shit that none of them did  
To all you deadbeat moms, who be bringin' the drama  
Fuck you in front of the court, and fuck my baby momma
