Could be clear black and white
Make a decision
Got a need inside and I don't know why
It's a strong feeling that grows and grows

One day - my life is out the door Next day - you show me what it's for One day - I think I know myself Next day - you leave me on the shelf

New moment goes like this Never forbidden There's nothing to stop The thief on time, stealing The hours that keep you away

It rushes through my veins Straight to my head My mind is a planet For you to roam

This is only just the start It's the beginning
There's nothing to stop
The thief of time
Stealing the hours
That keep you away

One day - my life is out the door Next day - you show me what it's for One day - I think I know myself Next day - you leave me on the shelf

In this house I call home
Living together
Got a need inside
And I don't know why
It's a strong
Feeling and it grows and grows

One day - my life is out the door Next day - you show me what it's for One day - I think I know myself Next day - you leave me on the shelf

This is only just the start It's the beginning

New moment goes like this Never forbidden
