

## I've Got a Feeling

Ivy

Baby, what can I do?  
I've been out searching for you.  
I've got a feeling all I need is a love that's true.

Baby, what can I say?  
I know this won't go away.  
I've got a feeling all I need is to see you today.

I've been watching the world pass by all around me.  
I've been letting the days go by 'til you found me.

Baby, what can I do?  
I've been out searching for you.  
I've got a feeling all I need is a love that's true.

I've been watching the world pass by all around me.  
I've been letting the days go by 'til you found me.

Baby, what can I do?  
I've been out searching for you.  
I've got a feeling all I need is a love that's true.  
I've got a feeling all I need is a love that's true
