

# Best Friend

Jacob Latimore

You were my best friend  
thought you always be my best friend  
We were together, thought you stay with me forever  
Sitting here by the phone  
Girl you know I been so all alone  
Why did it end, where did love go, don't you still love me

We used to go and skating every other weekend  
Me and you haning out, best friends no doubt, girl we had so much fun  
Me and you playin' in the park all day, haning in the neighborhood chillin' round are way  
How I miss those days  
A you are the apple on my eye  
B I thought I never say Bye Bye  
C Leaven in the cherrypie  
Why did you have to leave me

You were my best friend  
thought you always be my best friend  
We were together, thought you stay with me forever  
Sitting here by the phone  
Girl you know I been so all alone  
Why did it end, where did love go, don't you still love me

Ever since you been gone I've been all alone  
Thinkin' about yesterday, games that we use to play  
glassballkeens, hide and go seek, you're frinds playin dobbble dish t  
alking about me  
A you are the apple on my eye  
B I thought I never say Bye Bye  
C Leaven in the cherrypie  
Why did you have to leave me

You were my best friend  
thought you always be my best friend  
We were together, thought you stay with me forever  
Sitting here by the phone  
Girl you know I been so all alone  
Why did it end, where did love go, don't you still love me

Baby I will always be there for you (4x)

You were my best firend  
thought you always be my best friend  
We where together, thought you stay with me forever  
Sitting here by the phone  
Girl you know I been so all alone  
Why did it end, where did love go, don't you still love me (2x)
