

Questions

Jagged Edge

I ain't tryin' to be funny baby
But don't get too close ya know what I mean
I'm nice with it

If you get a lil' bit of this
Yeah
Then you just might trip
Yeah
I can see her callin' me late at night talking bout boy I need that hit
Yeah, J-E y'all
Don't make me make you lose your composure
Cause I'm good with this
Oh
I can see her callin' me late at night talking bout how I need that hit
That's if you get it, get a lil' bit of this

Don't mean to be ?
But when I sling it down
I can go around for rounds
All the things that I do they might make you crazy
You'll be wondering how
How its early in the day and you wantin' me
Straight home from the job still wantin' it
Been caught up since she got up, when you got up out my bed
Don't worry you won't lose your spot now

The way you drop it down
The way you do
The way you turn around
Baby that's a fool
Body so hot
But shes so cool
She make me forget when I'm out with my crew
If you get a lil' bit of this

If you get a lil' bit of this
Yeah
Then you just might trip
Yeah
I can see her callin' me late at night talking bout boy I need that hit
Don't make me make you lose your composure
Cause I'm good with this
Oh
I can see her callin' me late at night talking bout how I need that hit
That's if you get it, get a lil' bit of this

?
As soon as I touch down
You'll be waiting there on me
Things I do to your body
Might be illegal
In like 10 other cities
Way I get you from behind you be lovin' it
Outside, in the car straight thuggin' it
You can look all over but you'll never find this
You better appreciate now

The way you drop it down
The way you do
The way you turn around
Baby that's a fool
Body so hot
But shes so cool
She make me forget when I'm out with my crew
If you get a lil' bit of this

If you get a lil' bit of this

Yeah

Then you just might trip (you just might trip)

Yeah

I can see her callin' me late at night talking bout boy I need that hit
Don't make me make you lose your composure (baby)
Cause I'm good with this (see I try to tell you)
Oh

I can see her callin' me late at night talking bout how I need that hit
That's if you get it, get a lil' bit of this

All the things we do
It should be a law against me and you
Your good ass, too ?
Everybody mad they want something this true (true)
Somebody got my heart
Shine better than the 22s on my car
I can see us takin' this so far
I can tell you if you get a lil' bit

If you get a lil' bit of this

Yeah

Then you just might trip (you just might trip)

Yeah

I can see her callin' me late at night talking bout boy I need that hit
Don't make me make you lose your composure (baby)
Cause I'm good with this (baby what it do)
Oh (baby)

I can see her callin' me late at night talking bout how I need that hit
That's if you get it, get a lil' bit of this

Get a lil' bit of this
Cause I got a whole lot to give
The same thing black T-let the chain hang
East Side niggas all in the same game
I only with real niggas like Sos and Duke
Young Jig, Young Jeezy, knock ball on truth
My nigga L, Lil Wheel, J-E baby
Got the club crazy
Can't forget my nigga Larry
?
South side family represent on that
Oh, go my brother Wingo
Keely Keel from the Vill
Oozy from Ben Hill
Grand hustle hold it down, bankhead
Known most of these niggas since they was wetting the bed
So that's a lil' bit of history you can check me out
But since demo we been makin' them hoes hot
I been comin' through, I been sweatin' that spot

If you get a lil' bit of this

Yeah

Then you just might trip (you just might trip)

Yeah

I can see her callin' me late at night talking bout boy I need that hit

Don't make me make you lose your composure (baby)

Cause I'm good with this (see I try to tell you)

Oh

I can see her callin' me late at night talking bout how I need that hit

That's if you get it, get a lil' bit of this
