It's time for the crying to stop
Cause I love you
It's time for you to grow up
I want you
And I need you

There's a hole in your soul Where your heart used to me All the doors are locked And you can't find the key There's fish in the sky And there's birds in the sea Cause you want me And you need me

You're drowning from all of the tears in the sky It's a bad dream
You can't even close your eyes
It's a bad dream
A bad dream

It's time for the pie in the sky Cause I'm hungry
It's time for you to let it die You're lonely
All alone

Tigers in their tanks struggle to get free Skinny little dogs barking up the wrong tree Snakes in the grass learn their ABCs And you need me And you want me

You're drowning from all of the tears in the sky It's a bad dream
You can't even close your eyes
It's a bad dream
A bad dream

Screaming from a voice inside Running but you cannot find A place To hide From the bad dream

There's a hole in your soul Where your heart used to me All the doors are locked And you can't find the key There's fish in the sky And there's birds in the sea And you hate me But you need me

You're drowning from all of the tears in the sky It's a bad dream
You can't even close your eyes

It's a bad dream
A bad dream

Screaming from the voice inside Trying to find a place Inside To hide From the bad dream

The bad, bad
Bad, bad
Bad, bad
Dream
