

For Once in My Life

James Brown

For once in my life I have someone who needs me
Someone I've needed so long
For once unafraid I can go where life leads me
Somehow I know I'll be strong

For once I can touch what my heart used to dream of
Long before I knew
Someone warm like you
One made my dreams come true

For once in my life I won't let sorrow hurt me
Not like it's hurt me before
For once I have something I know won't desert me
I'm not alone anymore
won't desert me

For once I can say
This is mine you can't take it
As long as I know I have love I can make it
For once in my life I have someone who needs me

For once in my life Someone who needs me
Someone I've needed so long
For once unafraid I can go where life leads me
Cause I know I'll be strong

For once I can touch what my heart used to dream of
Long before I knew
Someone warm like you
One made my dreams come true

For once in my life I won't let sorrow hurt me
Not like it did before
For once I have something I know won't desert me
I'm not alone anymore

For once I can say
This is mine you can't take it
As long as I know I have love I can make it
For once in my life I have someone, someone who needs me

It's sure thing
You've got to have a thing
Everybody needs a thing
You think
And do your thing...
