

Start Anew

Janet Jackson

Ive been so alone
Aint no fun since youve been gone cryin on the phone
Youre the one
I got to fly to you
I got to get to you somehow
Our love is tried and true
Im a believer now
Im still high on you
Now were through the hardest part
Open your heart, and lets start anew

Let your angel baby bring you a dream
I can't wait now, baby, to spread these wings
(its only you that can)
Make my grey skies electric blue
Kiss these bad times goodbye and lets start anew
Whyd I let you go say so long?
Thought I was strong (yes I thought I was strong, baby)
Baby now I know, I was wrong. I want to fly to you
Make it up to you somehow
Reach for the sky with you
And never come back down
Im still high on you
Now were through the hardest part
Open your heart, and lets start anew
