The Way Things Are Going

Jann Arden

I used to think that I was a good girl
I used to think that the world was fair
Things have gone just a little bit crazy
Don't think I belong anywhere

I'm not so sure, I don't think I know
And I'm not afraid to tell you I'm a little bit scared
The way things are going I'm never gonna get there
No the way things are going I'm never gonna get there

I used to think that I was a dreamer
I used to have my head in the clouds
Lately life's been nothing but a nightmare
The world keeps turning around and around (3x)

I feel so close, I don't think I know
And it's hard for me to tell you it's a little bit weird
The way things are going I'm never gonna get there
No the way things are going I'm never gonna get there

I used to think that I was a dreamer

I'm never gonna get there

No the way things are going I'm never gonna get there

I used to be a good girl (4x)
