

# Life Is Getting Better

Javier Colon

[Verse 1:]

Little girl now don't you cry  
Let the sun come dry your eyes  
If you dream it you can try  
And I'll always be here  
Nothing is impossible  
You've got wings your wonderful  
Who put rocks here at the bottom, at the bottom of the sky  
Hey don't you know, hey can't you feel this  
Good times round the corner

[Chorus:]

Life is getting better all the time  
As long as we're together everything's gonna be alright  
I feel it, I see it, I know that  
Life is getting better all the time

[Verse 2:]

Innocence is lost and found  
Just like peace and solid ground  
If you want to you can fly,  
Tell me what's the view like?  
If you win or if you don't  
You don't have to go alone  
I'll be listening, every time you sing,  
Every time your heart sings  
Hey don't you know,  
Hey don't you feel this  
Good times round the corner

[Chorus]

[Bridge:]

Cause you know what they say,  
Good things come in space  
To those who can wait...  
Life is getting better all the time  
As long as we're together, as long as we're together

[Chorus]

Life is getting better all the time
