Yo, It starts with One thing, I don't know why It doesn't even matter how hard you try Keep that in mind, I designed this rhyme To explain in due time All I know time is a valuable thing Watch it fly by as the pendulum swings Watch it count down to the end of the day The clock ticks life away It's so unreal I Didn't look out below I Watch the time go right out the window Trying to hold on, and didn't even know Wasted it all just to Watch you go I kept everything inside and even though I tried, it all fell apart What it meant to me, will eventually, be a memory, of a time when I tried so
