

Heart Over Mind

Jennifer Rush

Heart over mind -
heart over mind.

I've given my heart only to you
while you stand there
thinking about it.
There's nothing more
that I can do
when you're hiding what
you feel inside.
The closer we get the
farther you run from
the voice
that speaks from the heart.
The higher we climb
the harder we fall

So don't leave me hanging'
don't leave me hangin' on!

Look over you
shoulder then leave
it behind

put all the heartbreak away.
We'll start all over
one step at a time

don't let the past
take my place

It's heart over mind
heart over mind.

Time after time you say:
Give up
it's too hard for
you to give in.
Don't let the hurt speak
louder than love

don't live yesterday again.
Your mind's holding
back what your
heart's letting go

I'm fighting to help
set you free.
I'm wanting you
you're needing me

So don't leave me hangin'
don't leave me hangin' on!

Look over your
shoulder then leave
it behind

. . .

Time heals the
wounded and I know
you will survive

Let's pick up the pieces
and put them together again
together again.

Ooh
ooh
ooh
heart over mind
ooh
ooh
ooh
heart over mind
Ooh
ooh
ooh
heart over mind -

Look over your
shoulder then leave
it behind

. . .

Oooh
ooh
ooh
heart over mind
ooh
ooh
ooh
heart over mind
