

That's How Love Goes

Jermaine Jackson

Girl you walk around
With Your head up in the sky,
Yes you do, now
Cause you hurt so many before,
And never had to cry, no

But, you better stop, honey
And realize, yeah
That one day soon
You're gonna have to be penalized

OH!.

That's how love goes,
you gotta reap just what you sew
You Can't cause tears and run free
It'll Happen to you, like it's happened to me, baby

That's how love goes,
You gotta reap just what you sewn
You Can't cause tears and run free
It's gonna happen to you just like it's happened to me, girl

Because you made me cry,
You think you're the baddest of them all
Yes you do, now
Well I hope I'm around, my dear
When he sets you free and you fall, yea

Then you'll find it's not such a laugh
When tears run til you can't see, no no no
Your heartaches are gonna come,
And so is your misery, yeah

That's how love goes
You gotta reap just what you sewn
You Can't cause tears and run free
Happen to you, like it's happened to me, baby

That's how love goes
You gotta reap just what you sewn
Keep those tears and run free
It's gonna happen to you just like it's happened to me, girl

now, now, now, now, now, now
now, now, now, now, now, now

now, now, now, now, now, now,
now, now, now, now, now, now,

Well, Well, come on help me say it

But let me tell you something.

Baby you better stop
And take a real good look at yourself
Cause when those heartaches bite

You're gonna wish you were somebody else

Oh, It's not what you're wearing
That's gonna turn into a fire, yeah
You'll find someone that you love
And they gonna put you down

down, down, down, down, down, down,

Oh baby, oh baby... Oh
