

## In Ohm

Jes

this is here, this is now  
this is all, we can fathom  
all that makes you feel it right  
so grab a hold, get on top  
cause this is all, you can have it  
if you just listen to the soul  
you become

I'm crying out  
to every corner of the Earth  
why cant we live as one, In Ohm  
In Ohm

this is it, this is now  
this is all we can do it  
all to make us feel some peace  
so grab a hold, get on top  
cause this is all we can handle  
what ever keeps you alive

cause I'm crying out  
to every corner or the Earth  
why can't we live as one... In Ohm  
In Ohm  
Alive

whatever keeps you alive...

In Ohm, to every corner of the Earth In Ohm  
why can't we live as one, In Ohm  
In Ohm  
cause I'm crying out...
